Dear Parent/Guardian:

It is with great pleasure that we announce the Joseph Firth Youth Center is able to offer licensed child care to the families of Phillipsburg! For the 2021-2022 school year, we plan to offer After School Care 2:45pm-6:00pm with more specific details below. However, this is contingent on the Phillipsburg School District remaining in a full-day, 5-days per week schedule. Should their plan change, so will our plan. We will keep families up-to-date through our e-Newsletter system.

Enclosed is an enrollment packet, but please note the following:

- The first day of child care is Tuesday, August 31, 2021. The hours will be 2:45pm-6:00pm.
- We will open enrollment for youth in grades 2nd-8th.
- Staff will monitor your child as they're completing homework or virtual lessons, but are not responsible for the educational outcomes of your child. Children must bring their ChromeBook and earbuds each day, if applicable. Children will be divided into classrooms based on grade.
- The enrollment packet must be completed, turned in, and approved by the Program Director 3-business days **prior** to your child starting.
- All children must be a FYC Member for the 2021-2022 program year. The Membership form is included in this packet and a \$15 annual fee applies. If you reside within the Phillipsburg Housing Authority, you must obtain a Membership form through the ROSS Coordinator, Becky Johnson. She can be reached at 908-859-0122 ext. 107 or rjohnson@phillipsburgha.com
- Monthly tuition is \$150 per child. Payment is due on the **25th** of the month prior to attending.
- The FYC accepts families who receive Subsidized Child Care. This is an on-going program to apply for financial assistance. For more information or to see if your family qualifies for free or reduced-rate child care, call Norwescap Child and Family Resource Services at 908-454-1078.
- Please send your child with a water bottle, as our water fountains may be unavailable.
- Holidays, snow days, and emergency closings are subject to change, please visit our website at www.firthyouthcenter.com to verify if we will be open on these days. We will make every effort to open on emergency school closures but need to keep our staff's safety in mind.
- Transportation arrangements are the responsibility of the parent/guardian.
- Failure to adhere to the FYC Policies or Code of Conduct will result in removal from program.

Should you have any questions regarding our program, please feel free to call our office at any time. We look forward to a great year!

Sincerely,
Kelly Post-Sheedy
Kelly Post-Sheedy, M.Ed.

EMERGENCY OPERATIONS PLAN

Joseph H. Firth Youth Center
108 Fleming Drive, Phillipsburg, NJ 08865
Phone: 908.454.7281
www.FirthYouthCenter.com

- Depending on the circumstances of the emergency, children may be relocated to a different part of the facility and/or off site to a temporary shelter. Children will remain there until all is clear and/or accommodations for parent pick up have been established. Once children are in a safe location and/or emergency has been cleared parents will be contacted. If not on-site, the Executive Director of the Firth Youth Center is to be contacted immediately at 908-763-3038.
- **Immediate Evacuation:** If there is an immediate evacuation of FYC, children will be evacuated to Walters Park; children at Walters Park will remain there. If there is an emergency at Walters Park, children will be evacuated to FYC; children in the building will remain there. Upon evacuation, the Lead Program Supervisor on staff will be responsible for notifying the State Central Registry at 1-877-652-2873.
- **In-Place Shelter:** Sudden occurrences, weather or hazardous materials related, may dictate that taking cover inside the building is the best response. Day Camp will take cover in the Gym of FYC.
- **Evacuation:** Total evacuation of the facility may become necessary if there is a danger in the area. Day Camp will relocate to the Phillipsburg Elementary School, 525 Warren Street, Phillipsburg, NJ, 908-454-3500, as a primary site.
- **Modified Operation:** This may include cancellation/postponement or rescheduling of normal activities. These actions are normally taken in instances of a winter storm or building problems (such as utility disruptions) that make it unsafe for children.
- Please visit www.FirthYouthCenter.com or our social media pages for announcements relating to any of the emergencies listed above. You may also subscribe to our e-Newsletter system for updates and announcements at www.firthyouthcenter.com
- We do ask that you refrain from calling during an emergency. This will keep the main telephone line free to make emergency calls. We will call you to let you know if we have taken one of the precautions listed here and/or when it is safe for you to pick up your child at camp or the relocation site.
- If an emergency forces camp to close, please do not attempt to bring your child to the site. The designated persons to pick up your child during an emergency is listed on the Emergency Contact Form included in the registration packet.
- We urge all families to have their own plan in place. Your plan should include a predetermined meeting spot for all family members along with designated family member and/or friend who are able and available to pick up your child in the event of an emergency.
- In order to assure the safety of your camper and our staff, I ask for your understanding and cooperation. Should you have additional questions regarding our Emergency Operations Plan, please contact the Main Office.

STATEMENT OF UNDERSTANDING FOR CHILD SAFETY

The following information is important for the safety and protection of your child. Please read the information, sign the form and return to the Firth Youth Center. A copy will be placed in your child's records.

- I understand that my child will not be allowed to leave with any unauthorized person. All persons authorized to pick up my child, including older siblings or other relatives, must be listed with the Firth Youth Center.
- I understand that should a person arrive to pick up my child who appears or is suspected to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in a position where they have to make this judgment call.
- I understand that the Firth Youth Center is mandated by state law to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.
- I understand that Firth Youth Center staff and volunteers are not allowed to babysit or transport children at any time outside the Firth Youth Center programs. Immediate disciplinary action will be taken by the Firth Youth Center toward staff and volunteers if a violation is discovered.
- I understand that I am not to leave children unattended. I will wait for Firth Youth Center staff to receive the child.

JOSEPH FIRTH YOUTH CENTER POLICY ON THE RELEASE OF CHILDREN

Each child may be released only to the child's parent(s) or person(s) authorized by the parent(s) to take the child from the center and to assume responsibility for the child in an emergency if the parent(s) cannot be reached.

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the center shall secure documentation to that effect, maintain a copy on file, and comply with the terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fails to pick up a child at the time of the center's daily closing, the center shall ensure that:

1. The child is supervised at all times;
2. Staff members attempt to contact the parent(s) or person(s) authorized by the parent(s); and
3. An hour or more after closing time, and provided that other arrangements for releasing the child to his/her parent(s) or person(s) authorized by the parent(s), have failed and the staff member(s) cannot continue to supervise the child at the center, the staff member shall call the *24-hour State Central Registry Hotline 1- 877-NJ-ABUSE (1-877-652-2873)* to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick-up the child.

If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:

1. The child may not be released to such an impaired individual;
2. Staff members attempt to contact the child's other parent or an alternative person(s) authorized by the parent(s); and
3. If the center is unable to make alternative arrangements, a staff member shall call the *24-hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873)* to seek assistance in caring for the child.

For school-age child care programs, no child shall be released from the program unsupervised except upon written instruction from the child's parent(s).

Department of Children and Families
Office of Licensing
INFORMATION TO PARENTS

Under provisions of the *Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52)*, every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know

if you wish to review them and we will make them available for your review or you can view them online at <https://childcareexplorer.njccis.com/portal/>.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to provide reasonable accommodations for children and/or parents with disabilities and to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY).

Our center is required, at least annually, to review the Consumer Product Safety Commission (CPSC), unsafe children's products list, ensure that items on the list are not at the center, and make the list accessible to staff and parents and/or provide parents with the CPSC website at <https://www.cpsc.gov/Recalls>. Internet access may be available at your local library. For more information call the CPSC at (800) 638-2772.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the *State Central Registry Hotline, toll free at (877) NJ ABUSE/(877) 652-2873*. Such reports may be made anonymously. FIRTH YOUTH CENTER DISCIPLINE POLICY POLICY STATEMENT

The Firth Youth Center (FYC) strongly believes positive discipline is the best approach to improving unacceptable and inappropriate behaviors. Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of the individual child, the group, and the adult. Methods of positive discipline shall be consistent with the age and developmental needs of the children, and lead to the ability to develop self-control.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells children what they should do. Punishment teaches fear; positive discipline teaches self-esteem. All discipline must be consistent, firm, and fair if we are to provide a safe and valuable program for youth.

The FYC strictly prohibits corporal punishment. Staff shall not abuse or mistreat children in any way, including:

- a. verbal abuse—humiliating, degrading, threatening, and so on;
- b. physical abuse—striking, spanking, shaking, slapping, and so on;
- c. sexual abuse—touching or speaking inappropriately;
- d. mental abuse—shaming, withholding kindness, being cruel, and so on;
- e. neglect—withholding food, water, or basic care.

Following is a list of acceptable responses to conduct violations, which increase in severity so that each response is appropriate to the violation. We value the impact that positive reinforcement and guided redirection have on child development; as such, we strive to avoid negative discipline whenever possible.

A1. Redirect/Positive Discipline

The large majority of discipline problems can be handled using positive discipline. Above all staff should recognize the positive actions of youth in their care. When discipline is required there are many positive discipline techniques.

At the FYC we focus on 5 positive strategies:

- Positive Language: For many first-time offenses and minor infractions FYC staff may use positive phrases like “we sit on couches” rather than “stop standing on the couch”.
- Incompatible Alternative Principle – Offer misbehaving youth an alternative that makes their negative behavior become impossible. If a student is not participating, staff might say, “Why don’t you come help me by holding this picture?”
- If/then statements – To a youth who wants to grab a snack before following directions a staff might say, “Once you have washed your hands and are sitting quietly in your chair, then you may have snack.” Or to the child who wants to play a game before finishing her assignment a staff might say, “When you are done with your assignment, then you may play one of these games.”
- Benefit of the doubt – To a youth who jumps over the back of the couch a staff might respond by saying, “I know that you didn’t intend to harm the FYC furniture, and I’m sure you didn’t know that jumping on the couch that way could eventually cause it to tear.”
- On their time table – To the youth who continues to play a game after cleanup-time staff might say, “For each minute you choose to keep the class waiting, you will have to sit out five minutes of your favorite gym activity.” Or to the student who is being belligerent and saying that fighting is acceptable, staff might respond, “You and I both know that fighting is not acceptable. When you are ready to talk reasonably, I will be happy to talk to you. In the meantime, you may sit here while I go work on my project.”

Staff are encouraged to use use positive discipline by planning ahead:

- Anticipate and eliminate potential problems.
- Have consistent, clear rules that are explained to children and understood by adults.
- Have a well-planned daily schedule.
- Include some group decision-making.
- Provide time and space for each child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide alternative activities and acceptable ways to release feelings.
- Catch the child being good. Reinforce positive behavior; acknowledge or praise to let the child know

A2. Return and Restitute

In certain instances, the best discipline is for the youth to participate in a positive behavior contrary to the negative infraction. For example, when a youth is seen littering, he/she must return and properly dispose of the trash that was dropped.

A3. Chill Time/Time Out on the bench

Time-outs can be used to reinforce previous discipline efforts. It can be an effective way to remove the youth from the situation that is causing trouble. Time-outs have set time limits imposed by staff.

Time out guidelines for discipline purposes:

1. If staff assigns the time, 1 minute may be set for each developmental year
2. Boring location
3. If staff sets time, a watch should be used to measure so that punishment is fair
4. Resist urge to lecture youth, just send them to time-out. They should already know the reason.
5. Delays in youth response should cause additional minutes of time out. "You have 10 seconds to go to timeout otherwise you will get an additional minute."
6. Once a youth has fulfilled the staff assigned time out, the staff member might say, "Ok, your time out is over. When you feel ready, you may come back and join the activity."

B1. Loss of Privileges

Loss of privilege discipline is used to reinforce rules. If a youth is slamming the keyboard of a computer, staff may choose to remove computer privileges for a time. Loss of privilege may also be used as a consequence for unrelated negative behavior. If a youth continually disrespects FYC staff, the staff member may choose to take away part of gym time privileges. *Note: snack and meal privileges may not be taken away from youth.*

B2-B3. Suspension

Certain behaviors result in a FYC member being suspended for 1-6 days. Suspension is used to teach kids that they are not welcome at the FYC if they participate in certain behaviors. The FYC Program Director or Executive Director are the only persons authorized to give suspensions. Parents should be informed when a student member is suspended. The Program Director and the parent/guardian should have a conversation that details why the youth is being suspended, all previous discipline efforts (if applicable), the length of the suspension, and expectations when the youth returns. All suspended youth should be encouraged to come back, and they should be welcomed back once the suspension is over. Refunds will not be given for suspension time.

B4. Incident Report

Incident reports must be initiated by staff present during the time of infraction. The Program Director must sign off on all incident reports, and she is responsible for investigating as necessary, though she may involve the staff in obtaining facts.

Incident reports should be used to document the following:

- Serious problems – this includes repeated offenses, fights, drugs, weapons, accidents, chronic disrespect, and other issues that require investigation.
- Discipline history – This includes small infractions that have not been corrected through positive discipline techniques.
- Accidents – Accidents that cause serious harm to a youth or staff member

C1. Parent/Guardian Conference

A parent conference may be necessary in severe discipline instances. The staff member, Program Director, parent, and child should all participate in the conference. Parents should be provided with the history of the behavior and parents should be made aware of the consequences if the student repeats the behavior.

C2. Long Term Suspension

Extreme situations that put other FYC members or staff in physical harm may require long-term (1 month +) suspension from the FYC. The FYC Program Director should consult with Executive Director before giving a long-term suspension.

C4. Permanent Expulsion

There are several reasons why a child may receive expulsion from the FYC. For a complete list, see FYC Expulsion Policy. The Executive Director will handle all expulsions. The Board of Directors will be briefed on any expulsions.

EXPULSION POLICY

NAME OF CENTER: JOSEPH FIRTH YOUTH CENTER

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center:

IMMEDIATE CAUSES FOR EXPULSION:

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children

PARENTAL ACTIONS FOR CHILD'S EXPULSION:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.

CHILD'S ACTIONS FOR EXPULSION:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/ angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.

SCHEDULE OF EXPULSION:

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/ guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A CHILD WILL NOT BE EXPELLED IF A PARENT/GUARDIAN:

- Made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center.
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSION:

- Try to redirect child from negative behavior.
- Reassess classroom environment, appropriateness of activities, supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality
- Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion.
- Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.
- Give the parent literature of other resources regarding methods of improving behavior.
- Recommend an evaluation by professional consultation on premises.
- Recommend an evaluation by local school district study team.

Once the child is symptom-free, or has a health care provider's note stating that the child no longer poses a serious health risk to himself/herself or others, the child may return to the center unless contraindicated by local health department or Department of Health.

EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others.

Note: If a child has chicken pox, a note from the parent stating that all sores have dried and crusted is required. If a child is exposed to any excludable disease at the center, parents will be notified in writing.

COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center.
